

WELCOME TO THE DR RITA RAKUS CLINIC

LIPS ♦ FACE ♦ BODY ♦ SKIN
ANTI-AGEING ♦ MEDICAL AESTHETICS
HEALTH & WELLNESS ♦ SKINCARE PRODUCTS

Welcome to the clinic of Dr Rita Rakus. Located in London's Knightsbridge, opposite Harrods, the clinic is an award-winning CQC Registered medical aesthetic clinic. The clinic has established an enviable worldwide reputation as a centre for excellence in non-surgical cosmetics and anti-ageing and as the clinic of choice for pioneering techniques and treatments.

Over 25 years Dr Rakus has built up an extensive international client base and celebrity following and as a renowned authority in her field Dr Rakus is seen regularly on our screens and in the pages of magazines. Dr Rakus and the clinic have earned numerous awards including being listed as Tatler Top Doctor for Lips and is honoured to be the Global Ambassador for EMsculpt and Key Opinion Leader for many of the treatments on offer at the clinic, including the new Sofwave.

With an expert team and the latest technologies, we offer an unrivalled range of non-surgical treatments. From facial rejuvenation and skin tightening to fat reduction and holistic anti-ageing packages, we can create bespoke treatment combinations to help you achieve the aesthetic results you desire. Contact us now to book a complimentary consultation at the clinic.

LIP ENHANCEMENT

Dr Rita Rakus, known as the 'London Lip Queen', is famous world-wide for her beautiful, subtle and natural lip treatments. Have you always wished for plumper lips? Or have your lips lost definition and thinned with age? Using the best natural **hyaluronic gel fillers**, we can give a subtle boost to the overall size and shape of the lips, as well as improve lip definition and the lip area. There is also **Perk** and the **ProDeep** and **ADVATx lasers** which can enhance the lips without needles.

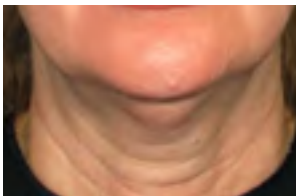

Before

NON SURGICAL FACELIFT & SKIN TIGHTENING

If you want to turn back time to restore a more youthful you, we can help with an unrivalled range of non-invasive treatment options to lift, tighten, tone and rejuvenate your face. These include the amazing **Softwave** that uses ultrasound technology - pain free, with noticeable instant results and no downtime. Other treatments include **ULTRAcel Q+**, **Endolift**, **Thermage FLX**, **Ultherapy** and the brand new **EMface** which targets your facial muscles & skin.

BODY CONTOURING

Lose stubborn fat and achieve a toned body with our wide range of body contouring solutions. There's **Coolsculpting** and the new **Cristal Pro** for fat freezing, **EMtone** for getting rid of cellulite and **EMsculp Neo**, which uses HIFEM and RF energy to simultaneously build muscle and burn fat on 10 areas of the body with addition of new Edge applicators and not forgetting **Sofwave**, **Thermage FLX** and **Exilis** to tighten loose, crepey skin on the body - think arms, tummies & knees!

FACIAL AESTHETICS

Take years off your appearance by smoothing out wrinkles, frown lines and crow's feet, restoring volume to the cheeks, contouring the jawline and more with **wrinkle injections**, **facial filler** and popular skin booster treatment **Profilo** and **juvenus**. Dr Rakus is world-famous for her injectable skills that achieve subtle yet effective results. And with a host of the best skin and facial treatments including the award-winning **Hydrafacial**, and the new **ADVATx laser**, we can get you glowing!
